- a person dies or is found dead within the area of the local authority; and
- it appears that no arrangements have been or are being made for the remains to be buried or cremated.

This application form must be completed by a representative of the local authority. This is a requirement of the Cremation (Scotland) Regulations 2019, for cremations made under section 87 of the Burial and Cremation (Scotland) Act 2016.

The application is made to the cremation authority which is to carry out the cremation. The cremation authority will need to examine the form to make sure that it contains all of the necessary information. Missing information or information the cremation authority does not think is accurate may result in the cremation being delayed or refused.

The local authority applying for the cremation is 'the applicant' and has the legal right to apply for the cremation under section 87 of the 2016 Act. If you are unsure about any of the information that is required, or are not sure what any part of the form means, you should speak to staff at the crematorium where the cremation is to take place or to the funeral director who is making the arrangements. Guidance notes are provided at the end of this form.

Change of crematorium

If it is necessary to change the crematorium for any reason a new Form A5 should be completed.

Personal details of individuals contained in this form are not to be used for any other purpose.

The information provided on this form is a legal requirement under the Burial and Cremation (Scotland) Act 2016 and will be processed in line with Data Protection legislation. The data will be held by the cremation authority that is carrying out the cremation. It will be held securely, in confidence and processed solely for the purpose of carrying out the cremation and the handling of ashes. It will not be shared with any third party. You have the right to know what data is held about you and you can, by contacting the cremation authority in writing, receive a copy of that data. The cremation authority is obliged to include in their privacy notice how the information will be held, for how long and how you may make a complaint to the Information Commissioner's Office.
